EAZYLATCH - WC Tubular Deadbolt

Product Specification

An innovative mortice bathroom deadbolt, which will dramatically cut down your fitting time on site! All you need to do, is simply drill a 25mm diameter hole, 75mm deep - and 'push' the bolt in! There is no careful chopping out for the traditional 'faceplate' required - simply drill-and-push - then fit your lever handles

The EAZYBOLT has a 5mm follower for standard bathroom turns with 5mm spindles

Specification

Finish	Satin Stainless Steel
Length	70mm
Backset	57mm
Follower Size (For Spindle)	5mm
