GEZE TS500 NV EN1-4 NON Hold Open Floorspring without Cover

## Product Specification

Floor spring for single leaf single-action/double-action doors up to 1100 mm leaf width with optional non hold-open device. Closing force with variable adjustment from EN1-4 and can be used for right and left hand doors without conversion. Hydraulic latching action which accelerates the door shortly before it is closed and integrated back check, slows down doors that are thrown open forcefully.
