## ERA Fortress 5 Lever Deadlock - 64mm - Keyed to Differ

## Product Specification

The Era Fortress is a British Standard High Security Mortice Lock which complies to the new BS 3621:2007 standard.

Higher security and strength are delivered by a 20mm bolt throw in every lock. Designed with hardened steel plates to resist drilling and two hardened steel plates in the deadbolt to resist hacksawing. 1.000 key variations for added security.
