Geze TS4000EFS EN1-6 Emag Door Closer and Free Swing Armset - KIT

Overhead door closer with link arm for single leaf doors of up to 1400 mm leaf width with electric free swing function  
Closing force EN1-6 with variable adjustment  
Operating voltage 24 V DC  
Can be used for right and left hand doors without conversion  
Free swing function makes it possible to pass through the door with little physical force required  
Free swing function once the door has been opened once to approx. 90°  
Mechanical latching action which accelerates the door shortly before the closed position  
Closing speed can be individually adjusted  
Fire and smoke protection doors  
Hold-open systems with integrated hold-open function with free swing  
Barrier-free access in accordance with DIN 18040
